

Announcing...New Dental Programs Available for the Wisconsin Coalition of Annuitants

The Wisconsin Coalition of Annuitants is pleased to announce that annuitants and all Wisconsin Retirement System (WRS) participants now have access to three comprehensive dental plans or two brand new supplemental dental plans made available through the Wisconsin Retired Educators' Association (WREA). The WREA has agreed to waive its annual \$20 associate membership fee to encourage participation in these dental programs.

These programs, offered by Ameritas, include a choice of plans to meet your needs as well as your budget. In addition, there will be continuous enrollment opportunities for eligible participants and a wide range of payment alternatives including automatic checking withdrawal, VISA/MasterCard (debit or credit card) and direct billing on a quarterly or monthly basis.

To access the WREA/Ameritas dental plan information go <https://gisconline.com/wcoa>. You can also contact the GIS Benefit Center at 1-877-817-4805 for detailed product information, rates and enrollment material.

The Wisconsin Retired Educators' Association (WREA) is an independent, non-partisan organization committed to monitoring and improving pension and ancillary benefits for retired educators and other members of the Wisconsin Retirement System (WRS). WREA offers a broad range of member services including substantial discounts on a variety of programs and services, newsletters and publications throughout the year. Information about the WREA and its programs is available at WREA, 2564 Branch Street, Middleton, WI 53562; Phone (608)831-5115; FAX (608)831-1694; Internet site: www.wrea.net.
