

State of Wisconsin

CITATION BY THE SENATE

KNOW YOU BY THESE PRESENTS:

WHEREAS, the State Engineering Association (SEA) with its 1,076 member Engineers and Engineering Specialists are public servants responsible to Wisconsin citizens in the areas of public safety, health and welfare, transportation, air and water, power, communications, structures, state lands, electrical and mechanical devices such as elevators, boilers, or computers; and

WHEREAS, the State Engineering Association will actively help to maintain and inspect the vital infrastructure of our civilized and natural environment in the Great State of Wisconsin; and

WHEREAS, the State Engineering Association Day is celebrated to raise public and legislative awareness and appreciation of engineers, engineering specialists and their work; and

WHEREAS, the State Engineering Association encourages its members to take opportunities for professional development to provide for the needs of today's society and leave for posterity a world that may continue to enhance the life of many generations to come; and

WHEREAS, the State Engineering Association recognizes that children are our most valuable resource such that engineers are encouraging our young math and science students to realize the practical power of their knowledge; and

WHEREAS, the world will look more than ever to engineers and their knowledge and skills to meet the challenges of the future; now

THEREFORE, the members of the Wisconsin Senate on the motion of Senator Jon Erpenbach do commend and congratulate the State Engineering Association!
